

‘Releasing the Potential Within All’

School Improvement Plan for **Pupils** 2017-18

Each year, we look at how we can further improve and develop our school. As pupils at Beehive Lane School, what can we do to achieve our aims?

	What We Aim To Do	How can we achieve this?
	<p>We want to achieve excellent standards in reading, being able to reflect, discuss and debate</p> <p>We want to be wonderful writers, including using super sentences, amazing vocabulary and spellings</p>	<p>Read at least five times a week with our parents and discuss the text and answer questions on it;</p> <p>Discuss and debate the issues in stories and non-fiction read with an adult</p> <p>We use grammatically correct and interesting sentences in our talking and writing;</p> <p>Adopt a 'can do' attitude to writing at all times and aim high to improve;</p> <p>Work hard at our writing targets in lessons and assess ourselves against them;</p>
	<p>We want to be confident in reasoning and explaining in Maths and be great at mental maths!</p>	<p>Practise our mental maths targets every day using our stepped targets in our homework books;</p> <p>Solve problems as often as we can with our parents, using examples from the real world, eg. shopping, giving change, managing pocket money, time telling, recognising shapes and angles, solving puzzles and logic problems;</p> <p>We will ensure homework tasks are completed on time and to the best of our ability.</p>
	<p>We want to develop 'GRIT' - we want to become determined, independent learners</p> <p>Develop Spiritual, Moral, Social and Cultural understanding</p>	<p>We will show determination and 'stick at' tasks to improve - not letting failure prevent trying over and over again to improve and succeed (discussing famous examples often helps)</p> <p>We will learn about Britain as a nation and discuss some news stories and events of national interest;</p> <p>We learn and celebrate British values of democracy, liberty, rule of law and mutual respect between different faiths and beliefs;</p> <p>We will develop as local, national and global citizens and be aware of events happening around the world;</p> <p>We will discuss how technology enables communication around the world and compare and contrast experiences of those abroad to their own.</p>
	<p>We want us ALL to succeed, be safe, be committed and aspire to do our very best.</p>	<p>We will work hard to achieve our targets and set ourselves personal challenges to achieve;</p> <p>We will complete homework tasks to high standard;</p> <p>We will discuss e-safety with our parents and ensure they are clear about the potential dangers of internet contact;</p> <p>We will learn and understand what to do if we feel threatened or bullied, on-line or in the real world;</p> <p>We will take a full part in computing lessons, activities and discussions on e-safety.</p>
