“Releasing The Potential Within All”

Beehive Lane leads the way with writing!

Last week, some of our pupils were extremely proud to represent their classes in displaying their excellent writing at Great Baddow High School. The project was devised and run by Beehive Lane School under the expert guidance of Mrs Middleton who used to run similar projects for the whole of the county. It involved inviting six other local schools to Beehive Lane to kick off the non-fiction writing project with the aim of raising standards across the locality and enabling teachers to visit other schools and learn from each other. It was a huge success and the headteacher, deputy head and several teachers from the High School were very complimentary and impressed by the high standards of the children's work.

Sports Day

The children performed superbly and really enjoyed their sports day on Wednesday. There were some very impressive running and balancing skills on display and the weather was fabulous. A huge thank you to all of you who managed to attend and support the children – we all really appreciate it. Congratulations to the ‘Woodpeckers’ (green team) who won the trophy for the highest total of points.

Sports Corner

On Tuesday, our Year 5 Basketball team travelled to St John Payne High School for the Chelmsford School Sports Partnership Basketball finals. In a keenly fought competition, we were unlucky to lose a couple of our matches in the dying seconds. However, with spirits renewed, we finished with a flourish, winning our final match by 10 baskets to 3. When all the results were counted up, we finished 5th, but with a little more luck could have been 3rd. On Monday, the first 6 athletes (Mia W, Hannah N-C, Nela B, Bailey G, Josh C and Lucas C) in our District Sports team travelled to Melbourne Stadium for the field events element of the competition. Some strong performances have put us in a healthy position going into today's track events, where 18 children from across KS2 will be aiming to boost our points tally even further. Good luck to this afternoon's runners

Year 5 Basketball Team.

Well done to Joe E, Harry M, Ethan S, James S, Ben B-H, Cenk K, Billie D, Amber F, Hannah N-C and Abigail C.
