“Releasing The Potential Within All”

We have had a busy week here at Beehive Lane with some wonderful presentations, questions and debates as potential school councillors and team captains have taken to the hustings – democracy is alive and well at Beehive Lane! The effort put into and the quality of their speeches has been excellent and all the voting was extremely close with a couple of recounts necessary.

Assemblies this week have included ‘Aspirations’ (one of our school values) and learning about Yom Kippur from the Jewish faith.

Fabulous Performances:

We have been treated to some excellent singing to the school by Year 6 on Tuesday and a lovely performance of two weather poems from Year 1. The children performed confidently and we are all proud of them.

Parking

Thank you to all our parents who have been very considerate in driving carefully when picking up their children from clubs. We are however, very concerned at a few incidents of parents reversing out of the main gate, parking on the pavements in the school grounds and moving the safety chains and cones in the car park. This was discussed fully at the main governors meeting last night, and after full consideration, they decided that if this practice, by a minority, continues, then they will have no option but to close vehicle access at all times to ensure the safety of the children.

Team Points

Great work Kingfishers for collecting the most team points this week. Great work!

Parent Workshop

Mrs Middleton will be running her successful “Be a Reader” workshop next Friday in the school hall between 9.00 and 10.20 a.m. for the parents of all children in EYFS and Key Stage 1 (Years 1 and 2).

After School Clubs

The majority of our after school clubs have started this week with good attendance and enthusiasm shown by the children. If your child has a place on an after school club we do expect them to attend regularly. Please collect your child promptly at the end of each session - just a reminder that all children should be collected by someone aged 16 or over. If your child has been allocated a place at a club and you have not yet paid please do so as soon as possible, preferably before they attend the next session. Thank-you.

A big thank-you to Mr Gardiner for organising and allocating all the new sports club places – not an easy task!

This week, our new Beehive Lane PE blog was launched at <http://beehivepe.primaryblogger.co.uk>

Please log on for the latest PE news across the school. The blog will aim to highlight upcoming events and match reports, with posts written by the children.

Due to other sporting commitments Mr Gardiner will be unable to run the Tag Rugby club next Thursday, 24th September so it has been cancelled.

Collection arrangements of children

If you have arranged for someone else to pick up your child you MUST contact the school directly either by phone or in person so the message can be relayed to the appropriate member of teaching staff before the end of day. An e-mail is not sufficient as we cannot guarantee to read all emails as soon as they arrive due to the workload in the Office. You do not need to contact us if the person collecting does so on a regular basis and we have permission in place. Thank-you.

Soul Savers Group.

We have been asked by Maia D, Kate W and Isabella S in Year 4 to tell you about a group they have formed.

“We are the Soul Savers, a group that helps wildlife. We may be children, but we can change the world and make it a brighter place. You can help by not using Palm Oil because, sadly, Orang-utan’s are having their homes destroyed every day because the trees they live in are cut down to produce Palm Oil .Using Palm Oil will cause them to become extinct. Thank-you.”

Happy
Birthday
to Lola F.
