“Releasing The Potential Within All”

Welcome to this summer edition! We have been incredibly busy over the past week with some fantastic achievements and events.

First a plea for considerate parking outside the school gates: Please ensure that if you place one set of tyres on the path, that there is enough room for a double buggy width to safely pass. If not, please park in a different location. We understand that it is busy first thing in the morning, but the safety of the children and families is of paramount importance. If possible, please park a short distance away from the school and then walk. Many thanks for your continued support with this.

Stave House Music Assembly

We were treated to a fabulous music assembly this morning from our young musicians who have been having lessons with the Stave House music teachers. It was amazing to listen to such young children proficiently playing guitar, piano and violin. Pictures next week!
