“Releasing The Potential Within All”

Welcome!

It has been a very busy week and the children are all working hard and enjoying their learning. All of the new Reception Class children are thoroughly enjoying their time with us and it was lovely to see them all in assembly today receiving their ‘Welcome’ certificates.

Parking

I would like to begin by thanking all the considerate drivers and parkers, which certainly includes the vast majority of people dropping off and picking up children. I am very concerned to hear of a few people parking on the yellow zig-zag lines. I would implore people not to do this as it seriously endangers the children’s lives. The police have been made aware of this and they have confirmed it is an offence and endorsements and fines may be issued.

Rev Phil Assembly

We were delighted to receive the Rev Phil here to take assembly. He discussed with the children the very important message of never giving up and resilience by telling parables.

All children in EYFS have started here at Beehive Lane this week. Hope everyone has settled in and best wishes for the start of an exciting learning journey!

Year 5 'Road Safety'

On Wednesday, Year 5 had 'Road Safety' lesson with Speed Watch officers from Essex County Council. They learned how the hand held speed camera work and the importance of keeping the speed limit. Eleven drivers were pulled over by the police for speeding and the children questioned them with the police and road safety officer. Well done Year 5 – this is a very effective way to make people think and change their attitude to driving near the school. The police have indicated that they will be back in the very near future to check driving speeds.
