“Releasing The Potential Within All”

Hello and welcome to this week’s newsletter.

## Successful Beehive Lane Primary School– see the Essex Chronicle

We were delighted to see that we have featured in this week’s Essex Chronicle as a high performing school both in the county and the country as a whole. The article and photograph can be seen in this week’s paper edition and on-line edition. It is testament to all the hard work of staff and children over many years. Well done to everybody!

## Appointments with staff

As a school, we are proud of our excellent relationship with parents and are always happy to meet to celebrate success or deal with any concerns as soon as possible. To this end, teachers make themselves available at the end of the day for quick consultations or an appointment can be made with them for a meeting if a greater amount of time is required. This has proved very successful over the years and this openness and availability is respected and enjoyed by the vast majority. If there are any urgent problems in the morning, a note can be given by your child to the teacher or an appointment made at the office. In addition to this, Mr Saunders or I are at the playground door and can relay any important messages. Please do not knock on the classroom doors or windows before or at the start of the day as the teachers are preparing work and teaching and supervising children from the moment they arrive. It is an important safeguarding requirement.

## Book Bus Visit

EYFS have enjoyed a visit to the travelling Book Bus which was parked in the car park at school this afternoon.

## Soup Making and Tasting in EYFS.

On Thursday the children in EYFS chopped and prepared different vegetables, including the leeks they had grown, to make soup. The soup took all day to cook, so the children tasted it after their Forest Schools session this morning - yummy! The majority of children enjoyed the soup with Olivia B saying: “It had carrots in, delicious.”
