“Releasing The Potential Within All”

Well, that half term flew by! It has been great fun and the children have been highly engaged in their learning. This week’s reading will be awarded a star after the half term and the children can score a ‘double’ by reading over the half term (extremely important!) and having their reading records written in and signed by parents.

Year 4 Cooking and Superstars

Year 4 have been really busy over the past week with their food tasting last week and a trip to Superstars this week.

Last Friday they made Pao de Queijo (cheesy bread) and a Chimi Churri (chilli) dip both of which are a popular Brazilian snack often enjoyed on the beach. This was to tie in with their topic for this half-term of Rio de Janeiro.

Careful measuring required!

Cooking makes us laugh!

Peeling garlic is tricky!

At Superstars, which took place at Melbourne Park, our children came in fourth place out of eight schools. Livy H and Annabel F (Year 4 School Councillors) delivered the pledge on behalf of the whole class in front of 300 spectators –well done girls!

A certificate was presented to the children in assembly this afternoon.

Lois and Jessica look like they are having fun!

Leon H – W ready for action.

Year 3 Class Assembly

What a brilliant assembly from our Year 3 children who, this morning ,acted out the history of the Roman invasion of England and then tested their knowledge in a quiz in the format of the “Who Wants to be a Millionaire” programme. There were some fearsome looking Romans and Celts (including two comical ones in deck chairs on the beach!) and excellent performances all round. Well done children – a real treat! Thank you to the staff for all their hard work.

JDRF Charity.

Many of you will remember when we wore the colour blue in school last year to raise money for the JDRF (Diabetes) charity. We have received a letter and certificate this week thanking us and congratulating us on raising £246.00.
