## “Releasing The Potential Within All”

I can hardly believe September is nearly at an end already!

### History comes to Beehive!

Professional actor, Oliver Naylor, brought his terrific ‘one-man-shows’ to school this week. He performed the ‘Stone Age’ for Year 3, ‘Vikings’ for Year 4 and ‘The Great Fire of London’ for Year 2. He recreates the scenes using an amazing array of props and plays several characters superbly well. The children were fully involved in the show through some acting, asking questions and contributing ideas. This really brought the subject to life and an exciting time was had by all:

Year 3 Stone / Bronze Age: Wizard Metal-workers Lacey and Carter stoking the fire.

Three Year 4 Viking Kings receiving ideas from their special advisor!

Year 2 ‘master bakers’ Mia, George and Devon working at the time of The Great Fire of London!

Next week we will be on Week 3 of our Summer menu.

### Lunchtime Awards

**William B** in Reception, **Dolce B** in Year 1 , were awarded for their good manner and polite behaviour.

### Year 5 Tower of London

Year 5 enjoyed a fantastic, fun-filled day at the Tower of London on Wednesday. After visiting the stunning crown jewels, the children visiting other exhibits in the Bloody Tower and Torture Chamber - bringing to life what they'd been learning in class. They also had a workshop, looking at replica artefacts, doing a great job at being detectives, guessing what the items were and who they belonged to. The highlight of the day though was getting involved in a re-enactment of peasants rebelling against the King and his advisors. We had some extremely vocal children - not all who were in favour of the King. A great day was had by all!
