“Releasing The Potential Within All”

Well, the half term has flown by with exciting learning, trips and visitors. Thank you to all parents and helpers who have dedicated their time to the school over these first few weeks – much appreciated.

Year 2 ‘Great Fire of London’ Assembly

We were treated to a fantastic assembly on Wednesday by Year 2. The Great Fire of London was brought to life superbly through songs and very entertaining drama. We think the debate between the mayor, Samuel Pepys and Thomas Farriner is still going on as to whose fault the fire was! The children were all superb and have obviously thoroughly enjoyed their first term with our wonderful Mrs Robertson and Mrs Magrath.

Farmer James with his agricultural labourers and millers!

Harvest Assembly with the Farmer James

We all enjoyed a terrific extended assembly on Thursday by ‘Farmer James’ from Great Leighs, kindly organised by Mrs Smith (Yr 5). He brought in a wide range of crops, seeds and models to explain how the harvest starts from planting through to how it is collected in the fields. The children played an integral part, milling wheat and asking and answering lots of questions about plants and where our food actually comes from.

Headteacher’s Learning Attitude Award

This new half-termly award is a very special recognition for one child from each class (including Mrs Coote’s and Mrs Philipps’ classes) for their superb attitude for learning. Each child chosen has demonstrated an excellent commitment and aspiration towards achieving and can be rightfully proud of the effort they have put in. Well done to all of them!

We will again be supporting the Royal British Legion, by selling poppies the week after we return from half term. Any contributions will be gratefully received. They will accept old £1 coins. Thank you for your kind support

Yes it's that time again; the lost property cupboard is overflowing. We will be disposing of all the items at the end of half term, so please come along and check to see if there is anything that belongs to your child.
