“Releasing The Potential Within All”

We have had a fabulous week with a whole host of exciting events.

Firstly, an enormous thank you to all of you who supported the ‘Children in Need’ day with silver contributions. A fantastic ‘spider of money’ was created, more details in next week’s edition.

Year 3 Stone Age Assembly

Year 3 shared their learning about the Stone Age in Class Assembly on Wednesday. They treated us to wonderful acting, dancing and singing in a thoroughly absorbing and entertaining special assembly. The children have made such impressive progress this term in terms of learning and confidence and were a joy to watch. Thank you to the teachers and all of you at home who no doubt helped learn the lines!

Year 5 World War One Workshop

Year 5 had a brilliant morning as Mrs Smith had invited in Chris Jefferson from Stow Maries Aerodrome. The children were involved in exciting practical activities as they learnt all about the principles of flight. As well as learning about aspects of the First World War, they constructed the ‘Hurricane’ model above which of course featured heavily in the Battle of Britain in World War One. A thrilling morning of learning was had by all!

Bonjour Monsieur Dixon!

As well as the Year 4 French club we attend at Great Baddow High School, we are delighted that Mr Dixon is coming in every fortnight on a Friday to do some language sessions with Year 3 and 5. The children enjoyed the first instalment this week.
