“Releasing The Potential Within All”

We have had an action packed and exciting week here at Beehive Lane.

The prospective parent tours have been superbly run by the Year 6 team captain and vice captains. Their guided tours and commentary have received high praise from all the adults visiting and they have represented the school superbly. Well done to Maia D, Amy P, Charlotte H, Curtis S, Sam W and William B.

Year 6 St Paul's Cathedral / Globe Theatre

Year 6 travelled to St Paul's and had a fascinating 'Second World War' tour by a very entertaining guide. The children then had a brief look round in the Tate Modern before walking to the Globe Theatre for a Romeo and Juliet acting workshop session. The professional actor leading the session was extremely impressed with the children's acting on stage and their knowledge, questioning and understanding was excellent. We received wonderful comments about the children's enthusiasm and behaviour. A great day was had by all!

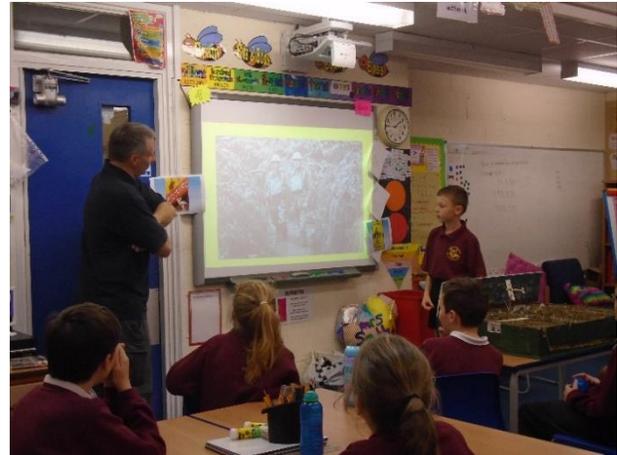

Boccia and Kurling

On Monday, Mrs Coote and some of her gym trail crew travelled to Melbourne Athletics Centre for Boccia and Kurling competition. Our fabulous, premier sports team have again struck success!

Well done to Mrs Coote's highly trained Boccia and Kurling team. See Mr Gardiner's blog for more details. <http://beehivepe.primaryblogger.co.uk/>

Year 5 Trench Warfare Talk

We would like to say an enormous thank you to Mr Clark who, ably assisted by Finley, gave a fascinating talk about trench warfare. The children were fascinated with a model and slides that he brought in and it has brought their study of the First World War and 'Warhorse' alive.

E-Safety Survey

You will have received an E-Safety survey this week. Thank you for those that have been returned already. If you could all take a couple of minutes to fill this in and return, it is very much appreciated. It is vital information which will be used to shape our workshops and education for children and parents in how to keep children safe on-line. Thank you.
