“Releasing The Potential Within All”

It has been another fantastic week here at Beehive Lane. The children have worked hard all week reviewing their learning from this term; we have also had Year 2 working hard on their upcoming Christmas production and the school choir preparing for the visit to Manor Lodge Residential Home on Monday. We also look forward to the ‘West End’ themed week which begins next week in all classes. Hope everyone has a great weekend!

Online Security

Social Media channels such as Youtube, Facebook, Instagram and Snapchat all allow some form of live capability, while there are also many pure live streaming services, including Periscope, Omegle, Liveme and Lively. It has been highlighted in the news about the dangers of a large amount of approaches that are made towards children using these, some with extremely disturbing or devastating consequences. It is important to remain calm but we would urge parents to monitor their children’s use carefully, put parent controls on devices and have conversations with their children (as we do at school) about keeping safe on line. I understand that many of you do this already, which is fantastic. Later in the year, we will be organising events on e-safety for the whole school community to inform, advise and help. If in the meantime you have any questions, please ask, as we may be able to help / advise.

Postbox for Christmas Cards is in the hall all next week. Don't forget to put the write the child's name and class clearly on the envelope.

Knitting Club

Children have been productive this year with these lovely festive decorations.

Special thanks to Mrs Dodsworth who gives up her time each week to help, and Mrs Honour who organises the knitting club.

Thank you

Knitted by

Julia B, Aymee C, Bliss W Erica D Millie J
