“Releasing The Potential Within All”

Welcome to snowy Beehive!

An enormous thank you is due to the legendary Mr Coldwell, site manager, for ensuring clear and safe paths around the school.

We have had a fabulous week with great fun and learning here at school. The children have explored, investigated and played in the snow and, as a result, have produced some fascinating work. The children have wowed us with their book character talks and many have presented speeches on a topic of their choice. This has really driven forward our school development target of promoting discussion, debate and presentation skills. Fabulous resilience and grit has been shown by all that have attended in the face of the ‘Beast from the East’!

World Book Day

We had an amazing afternoon with a huge array of characters on display to celebrate World Book Day on Thursday. Some children gave their speech to the whole school in assembly about their chosen character and the story.
