“Releasing The Potential Within All”

Welcome to this week’s newsletter.

Public Speaking Event

Five superstar children represented us at the public speaking event held at Baddow Hall Junior School on Thursday evening. Charlie T (Yr 3), Lola F (Yr 3), Aymee C (Yr 4), Lois J (Yr 5) and Lily S (Yr 6) were all extremely brave in speaking in front of an audience of parents and teachers, mainly from other schools. The children have all participated in the scheme in school and we have learnt a colossal amount from them. Well done to all!

Theatre Show in School

EYFS, Year 1, 2, 5 and 6 all thoroughly enjoyed the theatre show all about water. It was a performance sponsored by the Essex and Suffolk Water Company and it teaches children all about the precious resource and how it is important to look after our environment.’

Anglia News at 6pm tonight

Anglia news have been filming snippets from around Chelmsford as they have been interested in a report from the Times newspaper that Chelmsford is the number one place to live in the East of England. We may feature for a few seconds in the 6 o clock Anglia news tonight if we make the cut!

Year 2 Infant Music Festival

Year 2 took part in the Infant Music Festival on Wednesday at Christchurch. They had a busy few weeks in the run up to the festival, learning songs, lines, making props and costumes. They had a fantastic show and did themselves and Beehive Lane School very proud! Well done to all Year 2 children and a big ‘thank you’ to staff and parents for their support and help.
