“Releasing The Potential Within All”

I can hardly believe that the Spring term is nearly at an end! The children have worked extremely hard during this term and have had some fabulous experiences throughout this term.

This week, Year 1 and 2 visited St Paul's Church to take part in different Easter activities. Thank you to the team at St Paul's for organising such a wonderful learning experience for the children.

Today Beehive has been transformed into the Wild West in support of Cancer Research.

The annual Easter egg hunt was also a major success this afternoon and children searched the school grounds with the Easter bunny to find chocolate eggs.

Next week we look forward to the Year 4 class assembly – an extravagant end to a fantastic term!

Hope everyone has a great Easter break!

Wear Pink or something from the Wild West in support of Cancer Research

Thank you for all your kindness and support shown today, we will be counting up your donation and will keep you informed of the amount raised.

Thank you for helping us to help others.

From the Beehive Beauties

A polite reminder.

Dear Parents,

Safety of our children is paramount and the issue of parking has reared its head again! Please be respectful of others by not flouting the yellow parking restriction lines and we ask that drivers do not use the entrance as a turning circle or to drop off children, as this is becoming extremely dangerous and, of course, causes quite a congestion along Beehive Lane when cars are trying to come into the school. As we have no legal jurisdiction on the public highway we have

been advised by the police that any incidents or parking issues need to be reports directly to the 'Highways' department, with any details you are able to supply.

We have been lucky enough to have our crossing patrol lady reinstated which has made the road much safer for our children. We now ask you to think before you park as to whether you are being mindful of children, pedestrians and residents.

Easter Dinner

Tuesday 27th March
