“Releasing The Potential Within All”

Welcome to the Buzz-Word!

Year 6 SAT'S

I am sure you are all aware that the Year 6 children will be taking their compulsory, end of Key Stage 2 tests next week. The exams will be in the mornings only, Monday to Thursday. The children have worked very hard and are very well prepared.

Please ensure all children have plenty of rest and a good night's sleep over the weekend and into next week. They have all worked very hard to date and are keen to demonstrate their skills next week. Thank-you, Mr Saunders.

Year 1 Assembly

On Wednesday, we were treated to an amazing assembly from Year 1. They explained about different jobs within the castle. Everyone worked very hard to learn their words and performed brilliantly. Well done Year 1, you are all stars!

Little Stars

Sienna and Daniel took part in Little Stars sports event on Wednesday at Writtle College. They enjoyed playing a variety of different sports and represented the school superbly well. Both had a great time and made us all proud.

Kitchen News

Next week we will be on Week 2 of our Summer Menu.

Lunchtime Awards

Tilly D and Oscar G in Reception, Ella G in Year 1
Demi-Leigh S in Year 2
were awarded for good manners and polite behaviour

Reminder

Art Competition

School council are hosting an art competition to design some new art work to go on the wall in the kitchen area
(where the children queue for their lunch)

We would like the design to be based around food and healthy eating and can be drawn on a A4 or A3 paper using any medium.
For example; paint, pencil, pastel or felt pen.

The winner and two runners up will have their art work framed on the wall for all to see and receive a prize and a queue pass to enable them to be at the front of the line for their dinner or lunch until the end of term.

Runners up will also receive a prize and queue pass for 2 weeks

The kitchen staff and school council will be judging the competition.

Entries need to be in by the 18th May
Hand in your work in the office or to Mrs Ellis.

Be a Reader" Class award

Well done to **Year 5** who have won the "Be a Reader" trophy this week, for collecting the most Reading Stars.

Team Points

Great work Robins for collecting the most team points this week.

Our School Charging Policy

The Governing Body of Beehive Lane Primary School recognises the valuable contribution that the wide range of additional activities, including outings, clubs and residential visits can make in enhancing and enriching the curriculum. In general, no charge is made where education is provided wholly or mainly during school hours that are part of the national curriculum. However, some activities would not be possible without the financial support of parents.

Voluntary Contributions

Whenever possible the relevant expenses are met from school resources but if this cannot be done, parents are invited to make a voluntary contribution towards the cost of:

- Any activity which takes place during or outside school hours
- School equipment
- School funds generally

The pupils of parents who are unable or unwilling to contribute will not be discriminated against. Where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then the activity must be cancelled. Sometimes the school pays additional costs in order to support the visit. Some visits are subsidised by funds from The Friends of Beehive School.

Our Policies are also available to view on our website

We are always grateful for your continuous support which enables us to enrich the whole learning experience for your child.
