“Releasing The Potential Within All”

Welcome back! We have all been raring to go and the children have really enjoyed their first two days, especially the geography themed UK project work that will eventually form a brand new display in the hall.

It is lovely to welcome two new members of staff. Mrs Claire Owers who is our new health and pastoral lead and Nicole Hadley who is an LSA with wonderful EYFS team.

Events dates are being finalised as I write and will be issued to parents next week.

We have a very exciting Year planned and are looking forward to working with you all.

Parent Volunteers

We are always delighted to have volunteer helpers and we are currently looking for any parents / grandparents who could help either shortly after dropping children off in the morning or just before picking up time. If you feel you could help, please pop into the office or see Mrs Middleton at the end of the day at the Year 3 door.

Kitchen News
Next week we will be on Week 3 of our Summer Menu.

Reminder

We have pupils, who have a serious nut allergy; we ask that children who bring in snacks / pack lunches be mindful that these should not contain any nuts, e.g. Nutella, cereal bars with nuts, peanuts butter, fruit and nut snack bags etc

Thank you in anticipation

Swimming Lessons for Year 3 & 4

Year 3 and Year 4 children start their swimming lesson at Baddow High School on Thursday 13th September. Year 4 children need to be in school at 8.30am.

Due to a severe allergy in the class, please ensure NO TALC is used at all during swimming.

We hope you had a lovely birthday
