## “Releasing The Potential Within All”

Good afternoon from Beehive!

We had a lovely morning today with our annual ‘Harvest Visit’ to St. Paul’s Church to celebrate sharing and remembering to say thank you for all that we have. The children from Years 1-6 all delivered very thoughtful messages on this theme and the singing was beautiful. Many thanks to Rev Phil for hosting us and a big thank you to all our parent helpers. We also wish church warden Steve a swift recovery from his illness.

### Harvest Assembly with the Farmer James

We all enjoyed a terrific extended assembly on Thursday by ‘Farmer James’ from Great Leighs, kindly organised by Mrs Smith (Yr 5). He brought in a wide range of crops, seeds and models to explain how the harvest starts from planting through to how it is collected in the fields. The children played an integral part, milling wheat and asking and answering lots of questions about plants and where our food actually comes from.

### Football Tournament

The Beehive Football Team thoroughly enjoyed the football tournament this week. They scored some great goals and demonstrated a very good sporting attitude. Well done to all!

## A polite reminder

Dear Parents,

Safety of our children is paramount and the issue of parking has reared its head again! Please be respectful of others by not flouting the yellow parking restriction lines and we ask that drivers do not use the entrance as a turning circle or to drop off children, as this is becoming extremely dangerous and, of course, causes quite a congestion along Beehive Lane when cars are trying to come into the school. As we have no legal jurisdiction on the public highway we have been advised by the police that any incidents or parking issues need to be reports directly to the 'Highways' department, with any details you are able to supply.

We ask you to think before you park as to whether you are being mindful of children, pedestrians and residents.
