“Releasing The Potential Within All”

Good afternoon everyone!

Parent Governor Election:

The election for two governor spots was keenly contested with many votes cast for all four excellent candidates who clearly had a lot to offer. The two successful candidates were Mrs Howard and Mr White.

Courtesy and Respect on Site

One of our school values is respect and I am pleased to say that the vast majority of children, parents and visitors are completely on board with this value while on the school premises. I am concerned that there have been one or two incidents of differences of opinion between parents that have resulted in harsh words and some aggression. This is clearly not acceptable on the school premises, especially with young children present.

Indoor Athletics

On Tuesday, our talented Athletics team took part in indoor Athletics Chelmsford Final at Melbourne Stadium. They presented Beehive Lane school brilliantly and made us proud. Well done!

Animation Club

On Thursday, the whole school took part in making a short animation. Vicci, who runs the school's animation club visited to show the children extracts from the films made at last term's club and to give the children a taster of what it takes to make an animation film. Year 4, 5 and 6 were then treated to a longer workshop which involved the filming of 'Human skateboards'. Much fun had by all.

Kitchen News

Next week we will be on Week 1 of our Winter Menu.

Dear Parents and Carers,

There is now an app that can be downloaded that will give advice about children aged from birth to 11 years, recognise when your child is unwell; offering hand advice on some of the most common childhood illnesses and where to seek further treatment, including information signposting to the relevant local services.

There are workshops also parents can attend, please see link below for more information.
