“Releasing The Potential Within All”

Welcome! We had a very exciting visit from the Mayor of Chelmsford, Mrs Yvonne Spence. She gave the children a fascinating talk in assembly and was delighted to answer the excellent questions they put to her. A central theme was how local democracy works and what the function of a city mayor is. We are very grateful to Mrs Spence for giving us her valuable time and she was delighted to sit and discuss her role with the school council after the assembly. She explained that her year of office expires in May.

Do we have a young hopeful below? (The mayor dressed Shaun below and we all agreed he looked the part!)

Special Assembly

Thank you to Reverend Phil who came in and taught us about the significance of Shrove Tuesday and Ash Wednesday leading into Lent in the Christian calendar. The children asked very interesting questions.

We are in the process of planning our fabulous ‘Summer Book Week’ which will include an exciting mix of outside story-telling, competitions, dressing up and role playing characters and sharing favourite pieces of fiction and non-fiction. We will keep you posted!
